#ShadowCV of a postdoc

<http://www.veronikach.com>

This CV contains a number of rejections and other things usually not found on CVs, during my years as a PhD student (2011-2015) and as a postdoc (2015-now). For some background, please check the associated blog post: <http://www.veronikach.com/thoughts/my-cv-of-failures>

Rejected positions

- 2016 **Lecturer / assistant professor, Lancaster University, United Kingdom.**
After interview
- 2016 **Delft technology fellowship (assistant professor), Delft University of Technology, The Netherlands.**
After application

Rejected grants and awards

- 2016 **NWO Rubicon.**
EUR 120.000, funding for 2 years postdoc abroad.
- 2015 **Erasmus MC pilot project.**
EUR 50.000, funding for a year postdoc.
